APPENDIX

1. Details of the Condition

The Facility Agreement contains the Condition that it is an event of default under the Facility Agreement if the REIT is not or ceases to be managed by the REIT Manager or a wholly owned subsidiary, whether direct or indirect, of CapitalLand Investment Limited ("**Condition**").

2. Effect of a breach of the Condition

On and at any time after the occurrence of the Condition (the "**Event of Default**") which is continuing, the Lender may, by notice to the Borrower (a) cancel the commitment under the Facility Agreement whereupon it shall immediately be cancelled, (b) declare that all or part of the loans under the Facility Agreement, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents (as defined in the Facility Agreement) (the "**Outstandings**") be immediately due and payable, whereupon they shall become immediately due and payable; and/or (c) declare that all or part of the loans under the Facility Agreement be payable on demand, whereupon they shall immediately become payable on demand by the Lender.

Assuming the occurrence of the Event of Default which would require the Borrower to prepay the Outstandings, and such occurrence were to cause a cross default under other facilities and borrowings of the Borrower and/or its subsidiaries (the "**REIT Facilities**"), the aggregate level of the REIT Facilities which are outstanding and may be affected by such breach would be about S\$3,261 million (excluding interest) as at 08 August 2025.

As at the date of this Announcement, there has been no breach of any of the Condition.
